

## NEW BRIDGE PLANS BEFORE COMMISSION

### *Contract for \$1,900,000 in Bonds is Signed*

Plans for the bridges to be constructed by the state bridge commission across the Kanawha river at St. Albans and Point Pleasant were submitted to the state road commission Thursday for approval.

Bids for construction of the projects will be opened September 3 at 2 o'clock. A. C. Kimpel, bridge commission secretary, said that both projects will be completed in less than one year.

The commission also will take over the bridge across the Kanawha river at Cabin Creek early in September. This bridge will continue as a toll bridge until the bonds, the sale of which provided funds for its purchase, have been retired.

At a session of the commission Wednesday afternoon formal contract for the sale of \$1,900,000 of the state bridge bonds to a syndicate headed by Walter, Woody and company, of Cincinnati, at an interest rate of about 5 5-8 per cent was signed.

Mr. Kimpel said that the com-
